

	What have you accomplished since last scrum?	Are there any obstacles in the way of meeting your goal?	What will you accomplish before the next meeting?
Nick	I finished writing tests for the restaurant radius search.	I currently do not have access to my laptop so I won't be able to accomplish much before the next meeting.	I'll work on organizing the sprint 1 report.
Tong	Fixed some eclipse bugs	Eclipse is still not working	Make sure cucumber tests run
Chris	Finished most tests; finished most code; we're in full debug mode now.	I need to finish setting up TomCat on my computer.	Finish up some debugging.
Aahad	Adjusted the UI design for the search page and the results page.	Unfamiliarity with cucumber	Try and finish writing tests
Kevin	Finished most tests; finished most code; we're in full debug mode now.	I do not have time to code because I have a ton of other homework that I've put off for this project.	Answer questions about how my code works in case it is not readable.
