	What have you accomplished since last scrum?	Are there any obstacles in the way of meeting your goal?	What will you accomplish before the next meeting?
Nick	Junit tests with mockito	Other time commitments, capybara	Assist with front end tests.
Tong	Not much	Other assignments	Do more front end
Chris	I finished GroceryListTests and refactored some code.	Other Assignments	Help out on the black box testing and refactor more code.
Aahad	I worked on cucumber tests, trying to solve capybara bugs	Other commitments & assignments	Fix cucumber & capybara
Kevin	Nothing.	Capybara cannot be installed properly.	Add SQL compatibility to Grocery List; refactor ListManager class away; encrypt passwords.
