	What have you accomplished since last scrum?	Are there any obstacles in the way of meeting your goal?	What will you accomplish before the next meeting?
Nick	Not present	Not present	Not present
Tong	Added cucumber test	Other exams and assignments	Make sure some tests pass
Chris	i continue to work on the white box tests, ensuring that we are reaching maximum coverage	Other exams and assignments	Help out on the cucumber side and begin refactoring code.
Aahad	I haven't gotten a lot done since the last scrum, besides debugging some errors we had on the frontend	Other meetings and commitments	Help with cucumber tests
Kevin	Fixed data persistence with respect to list management.	Other homework, automated black box tests yet not fully working.	Begin refactoring restaurant and recipe page display parameters.
